Finding a new vet - Vet Clinics

We recommend finding a vet you are comfortable with when arriving to a new city! It is important for your pet to see their vet at least once a year, and to keep their vaccines up-to-date.

Day at the park - Doggy Parks

Pet owners should leash their dogs in all public areas. Pet-friendly parks include fenced-in areas marked for pets. Bring along doggy-bags for clean up, as failure to clean up after your pet can result in hefty fines.
